01

Fewer late payments.

Carpay payers run 20% lower delinquency than non-Carpay payers. Reminders go out automatically, and customers can pay anytime.

02

Money in your bank sooner.

Take payments 24/7, even when the business is closed. Get the money in your bank account the next business day.

03

Less work. Lower costs.

Carpay sends the reminders and records the payments. You save staff time and pay less to take payments.

Three steps. We walk you through every one.

1

YOU

Sign up

One person completes the online application. The owner only has to e-sign.

2

CARPAY

We set it up

We add your customer accounts, connect your software, and train your team.

3

YOU + CARPAY

Go live on your day

You pick the launch day. Your customers get welcome texts and emails.

About a week from signing to live. **The decision:** say yes and pick a start day. Carpay handles setup and training.
